Frequently Asked Questions

How old must I be to provide regulated child care?

For any level of regulation, you must be 18 years old.

Do I need to take the SIDS Risk Reduction & Shaken Baby Syndrome (SBS) class?

Yes, Provisional Certified Providers must complete this training.

Do I need to take any additional classes? (Additional classes will include SIDS/SBS training)

If you wish to obtain a regular certificate or a state license, additional classes are required. (See above)

Who needs to have the background screening?

All residents in the home, age 10 or older, must have a background screening.

Do I need a fenced play yard?

Yes, a fenced play yard is required. This need not be your entire yard-you need 75 square feet of play space per child fenced in.

Do I need written policies?

Yes, all levels of regulation require written policies. Samples are available at CCR&R.

Am I eligible for payments through the Wisconsin Shares program?

All levels of regulation are eligible for payments through the Wisconsin Shares payment system. The amount of the payment will depend on your level of regulation.

Am I eligible for reimbursement through the Adult and Child Care Food Program?

All levels of regulation are eligible for reimbursement through the Food Program.
