

YoungStar Training

Start early. Start smart. Start here.

Topic: Pyramid Model for Developmental Social Emotional Competence (24 Hours)

Pyramid Model training examines why professional development in social emotional competence is important to children, families, and teachers/caregivers. This training identifies how caregivers can become involved in high-quality professional development related to promoting social emotional competence.

Tier 3: In order to receive tier 3 credit, there will be a post-training requirement, such as homework or a brief assessment.

Quality Area: Learning Environment and Curriculum & Health and Wellness

Learning Objectives: Upon conclusion of the training, participants will be able to...

- Identify why relationships are key to achieving developmental milestones
- Recognize how this framework relates to all early care and education settings
- Analyze the need for increasing positive outcomes related to social & emotional development
- Apply training content to program practice
